**Verse on Rpt.**  
 Well the old kangaroo he was taken by surprise.  
 He said won't you listen to me Son.  
 Kangaroos can't play rock 'n' roll.  
 Don't you know that it can't be done.  
 Son you're from Australia and you'll be called a failure.  
 If you don't learn how to hop.  
 Don't let your country down Son.  
 But the young kangaroo said "Pop!"

**Verse on Sign**  
 Well the years went by and that young kangaroo.  
 Learned to play on his guitar.  
 He practised singing and he joined a group.  
 And one day he became a big star.  
 Now he's on the hit parade and television too.  
 And everybody's following him.  
 And all around Australia.  
 All the young kangaroos are heard to sing.
