Allan Caswell

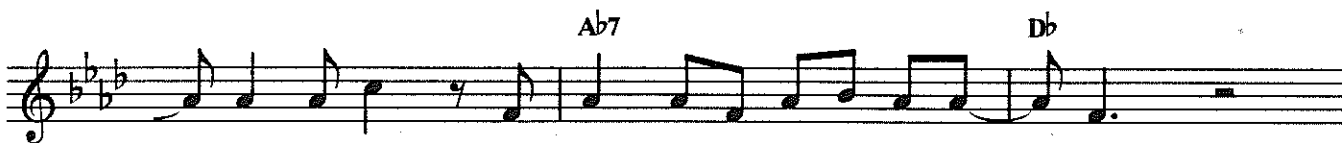

Take it from me it's as hot as can be and it's deep dark and damp in the

jun - gle. I don't know why but the trees are so high. They

block out the sky in the jun - gle. Mos - qui - toes in flight they come

out at night. They sting buzz and bite in the jun - gle.

Don't be sur - prised if there's mil - lions of eyes and they're all watch - ing you in the
