LET'S HAVE FUN

Don Spencer/Allan Caswell

Published by MCA-Gilbey

First day of the holiday, and you've got chicken pox.
You can't go to the party, 'cause you're covered up with spots.
Don't let it get you down, use your imagination.
Have a party of your own, have a private celebration!

Chorus

Let's have fun, fun, fun, fun,
Let's have fun, fun, fun, fun.
Don't let it get to you,
Just keep smiling through,
Let's have fun.

First day at a brand new school, and you don't know what to do.
Everything is strange to you, and you're feeling so confused.
Don't let it get you down - pretty soon you'll find,
You're going to make some brand new friends,
And have a wonderful time.

Chorus x 3
