**Verse on Rpt.**

Maggie the Magpie and Colin the Crow  
 They're always welcome wherever they go  
 Always delightful always polite  
 They'd be the first ones you'd want to invite  
 At social occasions they're top of the list  
 Their bright conversation is not to be missed  
 But it's out on the dance floor that they really excel  
 Tangos and foxtrots they do them so well
