## MY CAT'S SO COOL

Don Spencer

Published by Mushroom

I've got a dog, and I've got a cat.  
They're as different as can be.  
I'll tell you about my dog and my cat -  
See if you agree...

When I come home the dog spins around,  
Wags his tail, and jumps up and down.  
He's so excited - as happy as can be,  
He shows me that he misses me.

But my cats so cool - she doesn't even stir.  
My cat's so cool - she waits for me to come to her.  
'Cos she knows when the dog has settled down,  
I will come and stroke her fur.  
Then she will show that she misses me -  
She'll begin to purr.

When I tell my dog we're going to the park,  
He runs to the door and he begins to bark,  
He's so excited to run around and play,  
He'll run around and play all day.

But my cat's so cool - she won't come for a run.  
My cat's so cool she doesn't think that's fun.  
She'll sit on a chair and clean her fur,  
And wait till I come home to her.  
Then she'll climb up on my lap-  
And begin to purr.

**MY CAT'S SO COOL**

When I come home the dog spins around,  
Wags his tail, and jumps up and down.  
He's so excited - as happy as can be,  
He shows me that he misses me.

But my cats so cool - she doesn't even stir.  
My cat's so cool - she waits for me to come to her.  
'Cos she knows when the dog has settled down,  
I will come and stroke her fur.  
Then she will show that she misses me -  
She'll begin to purr.
