OH LOLA! (SUCH A NAUGHTY CAT!)

Don Spencer

Published by MCA-Gilbey

My pussy cat is such a lovely pet -
So soft and gentle, cuddly and yet,
If you've got a cat - I bet she's just like mine,
Chasing little birdies all of the time.
Like Lola! Such a naughty cat!
Oh, Lola! Shouldn't do that!
Oh, Lola!

I put a bell around my Lola's neck.
It makes a tinkly sound so I protect
All the animals and birds she likes to chase,
They hear the bell and then they can escape
From Lola! Such a naughty cat!
Oh, Lola! Shouldn't do that!
Oh, Lola!

I love my Lola - such a lovely cat.
She keeps me company.
But I don't forget other creatures need our help,
To get away from cats they cannot see.
Like Lola! Such a naughty cat!
Oh, Lola! Shouldn't do that!
Oh, Lola!

That's why I keep my Lola in at night and
I protect the creatures she might frighten.
That's why she wears a little bell,
So the birds and animals can tell
It's Lola! Lola's on the prow!
It's Lola! You can't catch us now!
Oh, Lola!
