## PET RAT

Don Spencer

Published by Mushroom

I've got a friend who's got a pet rat.  
I've got a friend who's got a pet rat.  
Not a dog or a cat -  
I could understand that.  
Or even a bat,  
She's got a pet rat!

I've got a friend who's got a pet rat.  
I've got a friend who's got a pet rat.  
It doesn't live in the shed,  
It lives under her bed!  
That's what she said.  
She's got a pet rat!

I've got a friend who's got a pet rat.  
I've got a friend who's got a pet rat.  
I've never seen one before,  
And I'm still not so sure,  
But my friend does adore,  
Her little pet rat!

I've got a friend who's got a pet rat.  
I've got a friend who's got a pet rat.  
It's so easy to please,  
Eats everything it sees.  
Just loves ham and cheese,  
She's got a pet rat!

I've got a friend who's got a pet rat.  
I've got a friend who's got a pet rat.  
Can you believe that?
