## PICK A PET FROM THE ZOO

Don Spencer

Published by Mushroom

Imagine you could have any animal in the zoo for a pet!  
If you could pick a pet from the zoo, which one would you get?

Perhaps you'd like to have a pet panda,  
or maybe it's a penguin for you.

Imagine how much fun it would be if you could pick a pet from the zoo!

### *Chorus*

**Tell me, what would you choose?  
Tell me, what would you choose?  
If you could pick a pet from the zoo.  
Tell me, what would you choose?  
Tell me, what would you choose?  
If you could pick a pet from the zoo.**

Imagine if you had a pet lion - you wouldn't have many friends.  
Just one look at that lion, that's where that friendship ends!  
Imagine someone knocking on your door, and asking you to come out to play,  
They would hear a roar from the lion, they'd be so scared they'd just run away!

### *Chorus*

Imagine if you had a hippopotamus - wouldn't that be cool!  
But if you want a hippopotamus, you'd better have a big swimming pool.  
Maybe you'd like a couple of monkeys to climb up and down in a tree?  
Or maybe you'd like an orang-utan or a chattering chimpanzee?

### *Chorus*

Imagine if you had a pet porpoise to swim around in your bath.  
Or would you like something ever so tall like a beautiful spotted giraffe?  
Imagine if you had a pet zebra that you could ride everywhere.  
Or would you like an elephant? Think of all the animals there!

### *Chorus x 2*
