MUSIC

PRACTICE MAKES PERFECT

Don Spencer

Published by MCA-Gilbey

Hey Mum, what do you say,
Let's not sit around all day.
Hey Mum, what do you say,
Wouldn't you like to play?
Hey Mum, I've got energy to burn,
Show me something that I can learn!
Show me something that you can do,
And I promise I'll practise the whole day through.

Chorus

**Practise makes perfect.
So I'm going to practise every day.
Practice makes perfect.
I've been told it's the only way.
'Cause I want to be somebody,
Somebody just like you.
One of these days I want to be like you, Mum,
One of these days I'm gonna be like you.**

Hey Dad, what do you say,
Let's not sit around all day.
Hey Dad, what do you say,
Wouldn't you like to play?
Hey Dad, show me something to do,
Teach me to catch and throw like you!
Hey Dad, I promise if you do
I'll practise and practise the whole day through.

Chorus
