## SO MUCH MORE TO SEE

Don Spencer/Allan Caswell

Published by MCA-Gilbey

I've been to Bendigo, I've been to Ballarat,  
I've been all around the goldfields.  
I've been to Jindabyne, went skiing all the time,  
Way up in the snowfields.  
Now I'm not one to boast, but I've been around the coast,  
I've felt the warm sun on my face.  
I've been all around Australia,  
I've been to just about every place.

### *Chorus*

**But there's so much more to see,  
There's so much more to see.  
Let's go around Australia,  
'Cause there's so much more to see.**

I've been to Albany, where the whalers used to be,  
I went from Perth to Monkey Mia.  
The dolphins all came in, and they joined me for a swim,  
The sunset glowed like fire.  
Next I swept through Broome, but I had to leave too soon,  
I was going around "The Top".  
I've been all around Australia,  
And I think I've seen the lot.

### *Chorus*

## SO MUCH MORE TO SEE

I've been to Humpty Doo, I was only passing through,  
On my way to Darwin.  
I've been to Arnhem Land - I saw it all first-hand,  
And Kakadu was charming.  
I've seen Alice Springs, and lots of other things -  
The Olgas and Ayers Rock.  
I've been all around Australia,  
And I think I've seen the lot.

### *Chorus*

I once went on a journey by boat across to Burnie,  
Then took a drive to Queenstown.  
I've seen Hobart in the rain, but I'd go back again,  
It really is a nice town.  
And I've seen 'The Wilderness', and the scenery is the best  
I think I've ever found.  
I've been all around Australia,  
And I've seen every town.

Yes - I've been all around Australia,  
And I've seen every town.

### *Chorus x 4*
