## SUNSHINE

Don Spencer/Allan Caswell

Published by MCA-Gilbey

I like the sunshine.  
I like to feel it warm on my face.  
It spreads a little magic all around the place,  
I like the sunshine!

I like the sunshine.  
I wear my sunnies and my big floppy hat.  
I slap a little sunscreen on my shoulders and back,  
I like the sunshine!

I like to go swimming,  
I like the sun, surf and sand.  
But better than that I like icecream,  
And licking the drips off my hand.

I like the sunshine.  
I like a day without a cloud in the sky.  
I know we need the rain, but I prefer to be dry,  
I like the sunshine!

I like to go swimming,  
I like the sun, surf and sand.  
But better than that I like icecream,  
And licking the drips off my hand.

I like the sunshine.  
I like a day without a cloud in the sky.  
I know we need the rain, but I prefer to be dry,  
I like the sunshine!

**SUNSHINE**

I like the sunshine.  
I like a day without a cloud in the sky.  
I know we need the rain, but I prefer to be dry,  
I like the sunshine!

I like,  
I like,  
I like the sunshine!
