## **SH-SH-SUGAR GLIDER**

Don Spencer/Allan Caswell

Published by MCA-Gilbey

She's as sweet and gentle as her name implies,  
With a little button nose, and big wide eyes,  
She's a furry little creature in a bird's disguise -  
Nothing can hold her down.

### *Chorus*

**Sh-sh-sugar glider.  
High above the ground.  
Sh-sh-sugar glider.  
Nothing can hold her down.**

She climbs to the top of the tallest trees,  
And sits and waits for a friendly breeze.  
Then she glides through the air with the greatest ease,  
Nothing can hold her down.

### *Chorus x 3*

Nothing can hold her down.  
Nothing can hold her down.
