MUSIC

THE CAT

Don Spencer
Published by MCA-Gilbey

Meow, meow, the pussycat is on the prowl.
Meow, meow, she's creeping round the doorway now.
It's her job to chase all the mice away.
If she don't catch them, they'll eat your cheese.
That wouldn't please,
Meow.

Chorus

**Meow, meow,
Little mouse better run away.
Meow, meow,
It's a cat and mouse game we play.**

Meow, meow, the pussycat is on the prowl.
Meow, meow, she's creeping round the corner now.
It's her job to chase all the mice away.
If she don't catch them, they'll chew your food.
That would not be good,
Meow.

Chorus

Meow, meow, the pussycat is on the prowl.
Meow, meow, she's hiding in the kitchen now.
It's her job to chase all the mice away.
A mouse on the floor is what she's looking for,
There near the door!
Meow.

Chorus x 2
