WHERE DOES A GOANNA GO?

Don Spencer/Allan Caswell

Published by MCA-Gilbey

Where does a goanna go,
When he wants to goanna trip?
Does he goanna boat?
Or does he goanna ship?
Does he goanna train?
Or does he goanna plane?
Nobody knows where a goanna goes,
'Cause only a goanna's goanna know.

Where does a goanna go,
When a goanna's goanna-way?
When he's goanna-broad,
Where's he goanna stay?
What's he goanna wear?
How's he goanna pay his fare?
Nobody knows where a goanna goes,
'Cause only a goanna's goanna know.

Where does a goanna go,
When he wants to goanna trip?
Does he goanna boat?
Or does he goanna ship?
Does he goanna train?
Or does he goanna plane?
Nobody knows where a goanna goes,
'Cause only a goanna's goanna know.

Nobody knows where a goanna goes,
'Cause only a goanna's goanna know.

Nobody knows where a goanna goes,
'Cause only a goanna's goanna know.
