

Don Spencer

EMU

I WONDER WHAT IT'S LIKE TO BE A BIRD THAT CANNOT FLY
WHILE ALL THE OTHER BIRDS ARE FLYING HIGH UP IN THE SKY
WELL THE EMU DOESN'T WORRY, HE'S REALLY DOWN TO EARTH
I THINK HE THINKS THAT FLYING IS MORE TROUBLE THAN IT'S WORTH

CHORUS

**BUT HE CAN RUN
BOY HE CAN RUN
HE THUNDERS THROUGH THE OUTBACK LIKE A SHOT OUT OF A GUN!
AND HE KNOWS
HIS WAY AROUND
YOU SEE A LOT MORE OF AUSTRALIA, MATE, WITH BOTH FEET ON THE GROUND!**

THE EMU'S FAR TOO BIG TO FLY WITH WINGS AS SMALL AS THAT
BUT HE'LL DO FIFTY UP A MOUNTAIN AND EIGHTY ON THE FLAT
THOUGH HIS PLUMAGE ISN'T PRETTY, THERE'S NO MUSIC IN HIS SONG
WHEN HE GETS THOSE BIG LEGS PUMPING HE CAN REALLY SCOOT ALONG!

CHORUS X 2

*DON SPENCER/ALLAN CASWELL
(UNIVERSAL)*
