## **RAIN**

### **CHORUS**

**I LIKE THE RAIN  
WHEN IT PITTER PATTERS ON MY WINDOW PANE  
IT MAKES THE GARDEN GROW AND THE RIVERS FLOW  
MAKES EVERYTHING GREEN AGAIN  
THAT'S WHY I LIKE THE RAIN**

THE FARMER GROWS THE WHEAT  
FOR THE BREAD IN THE SANDWICHES WE EAT  
BUT YOU CAN'T HAVE BREAD, WITHOUT THE GRAIN  
AND YOU CAN'T GROW GRAIN, WITHOUT THE RAIN

### **CHORUS**

AND WHEN THERE'S NO RAIN ABOUT  
THERE'S A THING THAT'S CALLED A DROUGHT  
THE SUN BEATS DOWN AND IT GETS SO DRY  
NOTHING WILL GROW AND THAT IS WHY

### **CHORUS**

THE SUN DRAWS THE WATER FROM THE SEA  
THAT'S HOW THE CLOUDS CAME TO BE  
AND THE CLOUDS GET HEAVY AND IT STARTS TO RAIN  
AND THE RIVER BRINGS THE WATER TO THE SEA AGAIN

### **CHORUS X 2**

THAT'S WHY I LIKE  
THAT'S WHY I LIKE  
THAT'S WHY I LIKE  
THE RAIN
