

Don Spencer

TREES

I WANT TO HAVE A LITTLE CONVERSATION
I WANT TO TALK ABOUT THE BIRDS AND BEES
WHEN IT COMES TO ACCOMMODATION
BIRDS AND BEES THEY LIVE IN TREES

AND WHAT ABOUT KOALAS, BATS AND POSSUMS?
THE SUGAR GLIDER FLOATING ON THE BREEZE
THEY'VE ALL GOT A COMMON SITUATION
THINGS LIKE THESE THEY ALL LIVE IN TREES

CHORUS

**SO IF YOU THINK ABOUT IT
TREES GIVE MORE THAN SHADE
APART FROM BEING BEAUTIFUL
IN EVERY NOOK AND CRANNY THERE ARE HOMES BEING MADE**

SO WE OUGHT TO HAVE A LITTLE CONSERVATION
JUST TO SPREAD THE WORD TO EVERYONE YOU SEE
ALL WE NEED IS YOUR PARTICIPATION
YOU AND ME – WE SHOULD ALL PLANT A TREE

CHORUS

SO WE OUGHT TO HAVE A LITTLE CONSERVATION
JUST TO SPREAD THE WORD TO EVERYONE YOU SEE
ALL WE NEED IS YOUR PARTICIPATION
YOU AND ME – WE SHOULD ALL PLANT A TREE

ALL WE NEED IS YOUR PARTICIPATION
YOU AND ME – WE SHOULD ALL PLANT A TREE
